The image shows a close-up of a piece of aged, cream-colored paper covered with overlapping handwritten notes. The notes are written in different ink colors: brown, blue, and black. In the center of the page, the number "19" is printed in a large, bold, black serif font. The handwriting around it includes phrases like "Best of luck to n", "Don't forget the", "this year.", "twining fast", "you really", "comes", "you m", "the", "Have fun", "forget", "class.", "A", "deserve all", "you don't", "way.", "both of them in", "their is to you", "that you", "great on", "I've had", "together.", "Bob.", "we'll", "mumpet", "baseball", "conce", "fast", "the", "A", "n", "m", "n", "n". The overall composition suggests a collection of memories or wishes from a past year.

[illegible]

We are the Tigers, through and through. From our first day as lowly
greenies we felt the spirit of the Fighting Tiger surge through us.
As jaunty Juniors we took part in the spirit by our selling campaigns.
Finally as mighty Seniors the reality of our responsibility came to us.
We were its spirit. Through out efforts, the Tiger rose to greater
heights. As proof of these facts, we now present a record of the
Fighting Tigers of B. F. H. S.

STUDENT COUNCIL

Student Council is the student government of our school. Its chief aims are (1) providing leadership and citizenship training, (2) developing student participation in school government, (3) encouraging student-faculty co-operation, and (4) promoting good student attitudes and school spirit.

Various committees of the Student Council are—Betterment Committee, which takes care of "Citizenship Week" and tries in every way to make our students better citizens. The Reception Desk Committee's duty is to see that visitors to our school feel welcome. The Visitation Committee goes to other schools and tries to find help for some of the problems of our

school. The Lost and Found Committee, which is located in the Student Center, takes care of all lost articles. The Student Center Committee has a big job of keeping our Student Center in spic and span order. The Picnic Committee is in charge of our annual school picnic at the end of the year. The Noon Recreation has the game room where the students can go at noon for relaxation. The Ways and Means Committee takes care of all our money-making projects. The Assembly Committee arranges for all the assemblies of the year. And last, our Publicity Committee makes known what is going on in the Student Council.

*Best regards to my St Man -
You did a "swell job for us"
Mr. M. Parrish.*

'53 - '54

MR. PARRISH

We extend grateful thanks to our director, Mr. Parrish, who has helped and inspired us on new and better work.

The summer band concerts at Reeves Stadium . . . those wonderful halftime performances . . . the snappy marches at pep meetings . . . marching in many parades . . . jazz music at basketball games . . . and the enchanting music at the Annual Spring Festival all help to make the B. F. H. S. Band one of the best.

*Very truly,
Your friend,
The Band*

The Arrangers Club is a newly organized club in our high school. At their meetings the members study the methods by which music is written and arranged and they also study different instruments. Members make their own orchestrations of musical numbers and play them during the meeting. These orchestrations are used on the devotional programs at the latter part of our school year.

ORCHESTRA

OFFICERS

President ----- Fred Oldencott

Vice President ----- Earl Johnke

Secretary-Treasurer ----- Kay McCready

The orchestra is the oldest instrumental organization in B. F. H. S. There is record of an orchestra as early as 1917 in the first published yearbook, when it consisted of about eight members. The orchestra has grown steadily through the years and is gaining a name for itself in Beaver Valley. Our orchestra can be heard at student assemblies, plays, and in the Annual Spring Festival where they may be counted on to provide entertaining and enjoyable music.

A C A P P E L L A

To Mr. Greig, we would like to extend our deepest respect and appreciation. Through his leadership, we—the A Cappella Choir, Chapel Choir, Chordettes, and Sophomore Girls' Choir—have presented to our public two beautiful and inspiring programs.

The Chapel Choir also presented their Annual Palm Sunday Vespers at which the ever beautiful Easter music was sung. To Mr. Greig, the whole choral department—we salute you who have truly made Beaver Falls High School proud of you.
